## ***How to Enroll***

1. Select the age-appropriate class and the style of program in which you are interested.
2. Confirm at the front desk that there is space available in that class at your time of choice.
3. Pay the Annual Family Membership Fee of \$45. This is an annual fee that is required to participate in classes. It covers all siblings in the family and gives you discounts on Friday Nights Out and Birthday Parties. We also have "member-only" events for the Holidays!
4. Register for the current or upcoming session by paying for the month or session in full. If you join a session in progress, tuition will be prorated for the number of classes remaining. Vacations will be prorated when notification is given in advance of the vacation. Monthly prices may vary based on the number of classes in a given month.

*Class size is limited to maintain a low student to instructor ratio.*

*Enrollment in the current session DOES NOT HOLD YOUR SPOT for the upcoming session.*

**Enroll Early!**

### **Open Registration is ongoing.**

Enroll for the whole session for billing convenience and to receive a discount. Tuition is paid monthly or by the session. Monthly tuition is due before the first class of each month. Sessions run with the school year; Sept-mid Dec./ Jan.-May/ June-Aug.

Full session tuition is discounted 10%.

### **Prior Notice of absence is required for all Make-Ups.**

Tuition will NOT be prorated for missed classes. Vacations will be prorated when prior notification is given. Tuition credits are made for emergency situations only and require Management approval.

### **Clothing**

Children should wear loose fitting comfortable clothing for all Aurora Kids activities. Bare feet maximize safety and freedom; no socks or tights please! Jewelry is not permitted. Long hair should be pulled back in a soft holder.

### **Make-Up Policy**

Space in Aurora Kids activities is reserved. Prior notice of absence is required for all make-ups. Missed classes must be made up during the current session, and during a period which has been paid for. Be sure to call ahead to cancel class and schedule a make-up. This allows us to maintain our student/teacher ratios, and ensures your child will not be turned away from class. Tuition will not be credited, extended or refunded due to absences. Please call us at 345-0093 to let us know if your child will miss class.
